EMP

Ed-admin Multi-Portal App

Opening Doors to Brighter Academic Futures - One App for All!

Visit our website
www.ed-admin.com

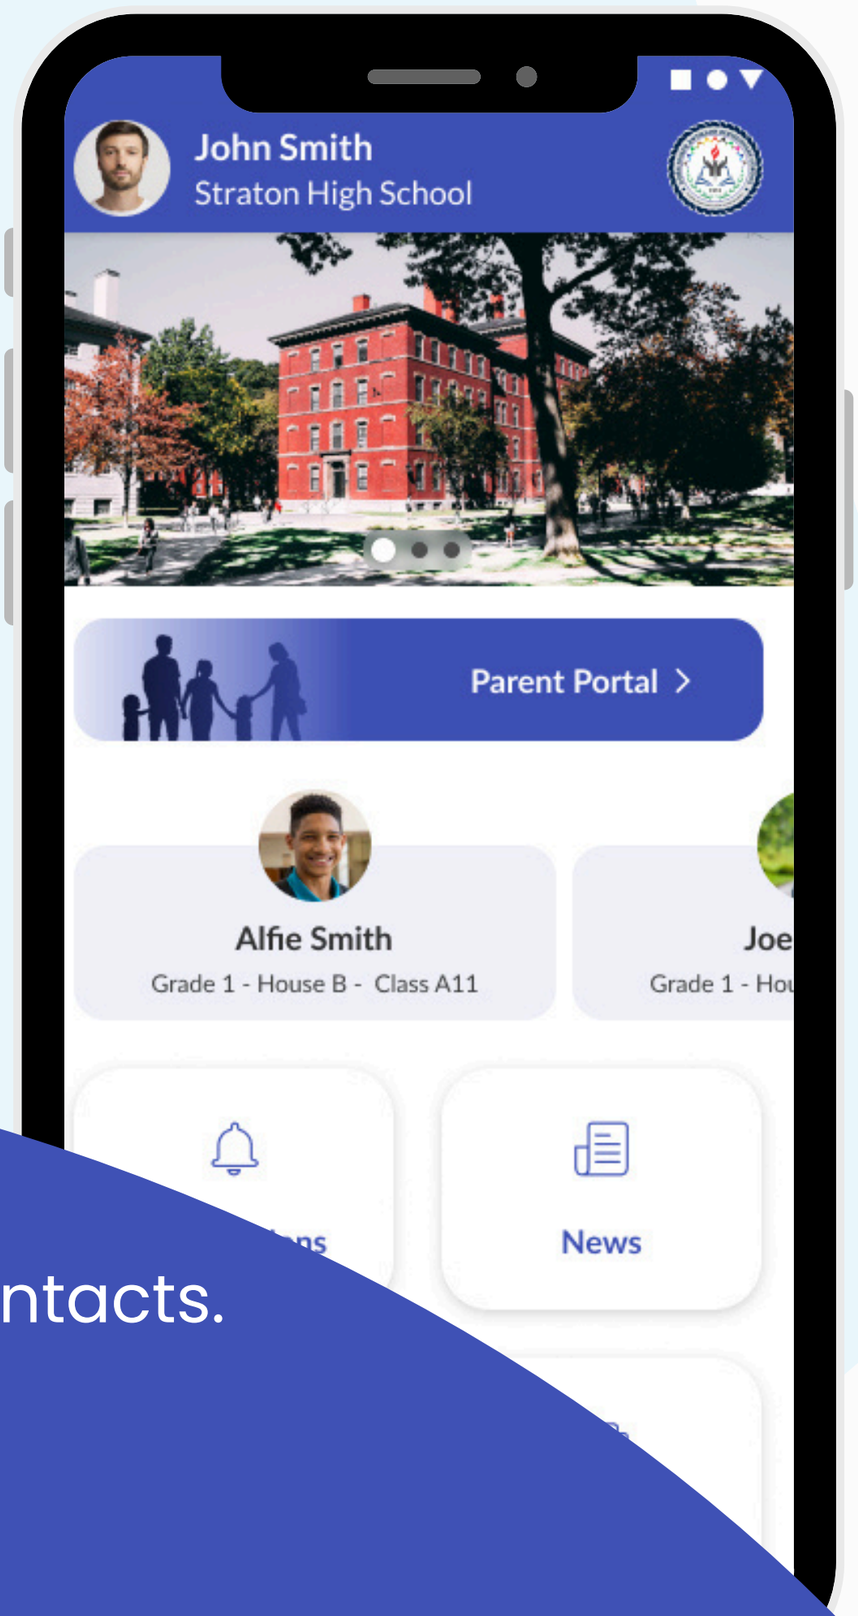

Features of Ed-admin Multi-Portal Mobile App

- Integrating all educational management tasks into a single user-friendly platform.
- Ability to monitor academic progress and access vital information in real-time.
- Assisting direct communication between parents, students, and academic staff.
- Granting users to manage educational tasks anytime, anywhere.
- Ability to tailor the app's modules to meet institutions' unique needs.

Parent Portal

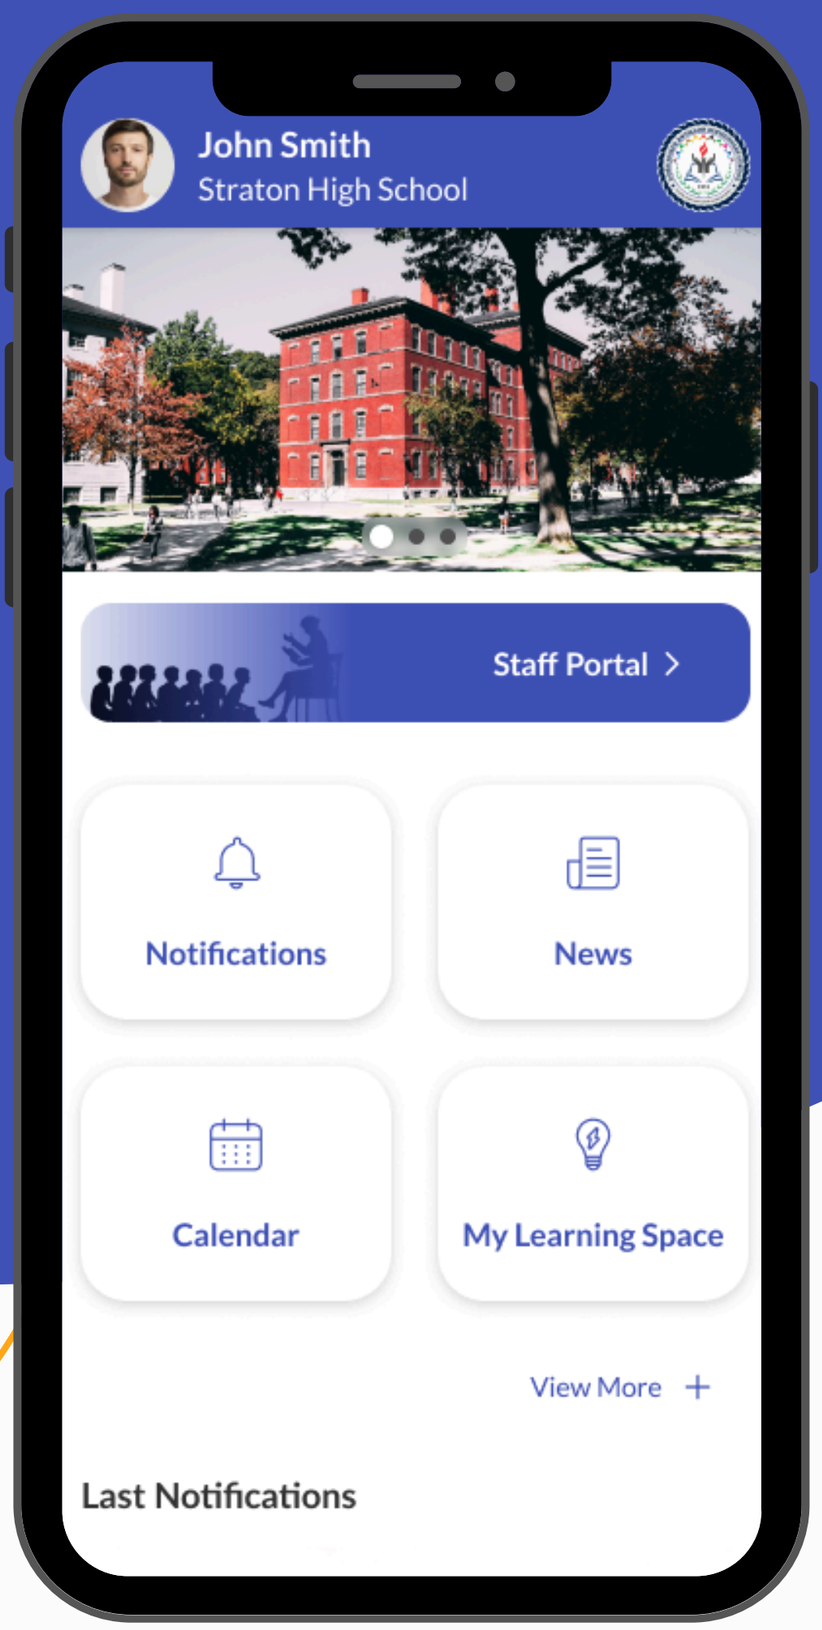

Keep track of your child's academic journey: monitor progress, communicate with academic staff, and access key information.

- Talk to teachers, get updates, and find contacts.
- View live feeds and school calendars.
- Simplest financial management.
- Monitor attendance, grades, and reports.
- Check behaviour and school details.
- Re-enroll your child with just a few taps.
- Ease of involvement, and information access.

Staff Portal

EMP helps teachers make their work easier, stay up-to-date, and concentrate on what matters most.

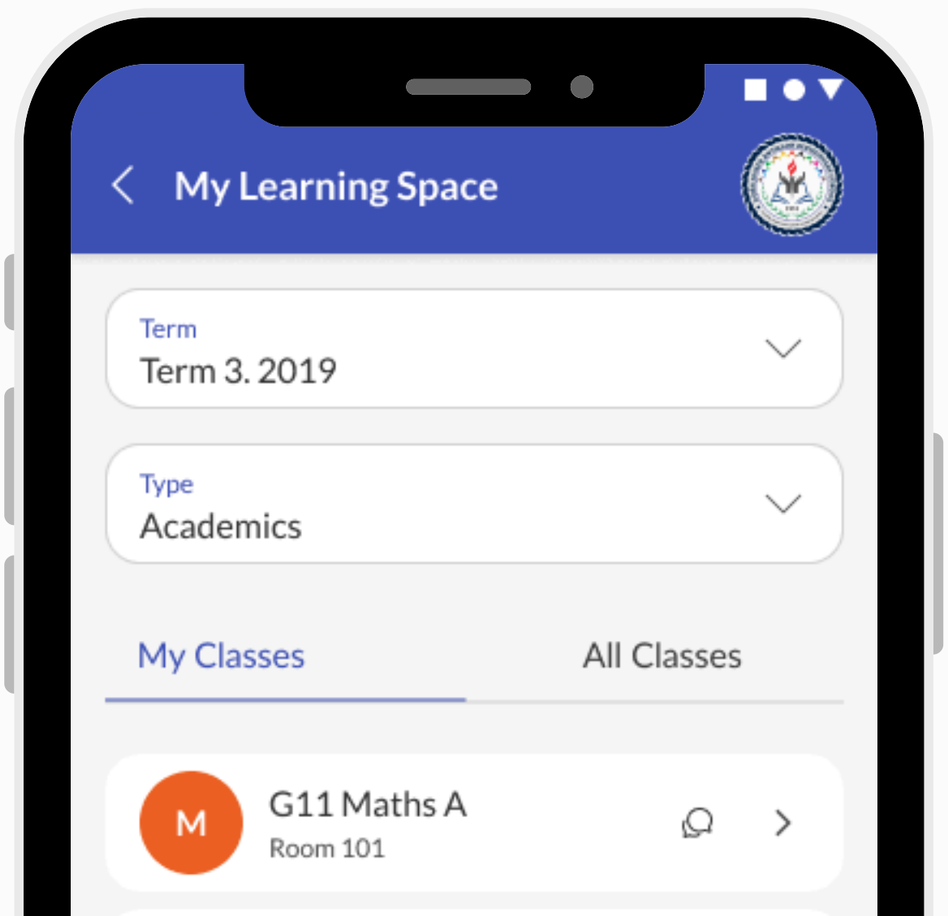

- Manage classes, grades, attendance, and behaviour.
- Access news, notifications, and calendars.
- Staff/parent directories and simple communication with students.
- Updates on the live feed and notifications.
- Manage assessment and attendance.
- Health Screening functionality.

Student Portal

Students can manage their academics, stay connected, and access resources, all on this organised and informative platform.

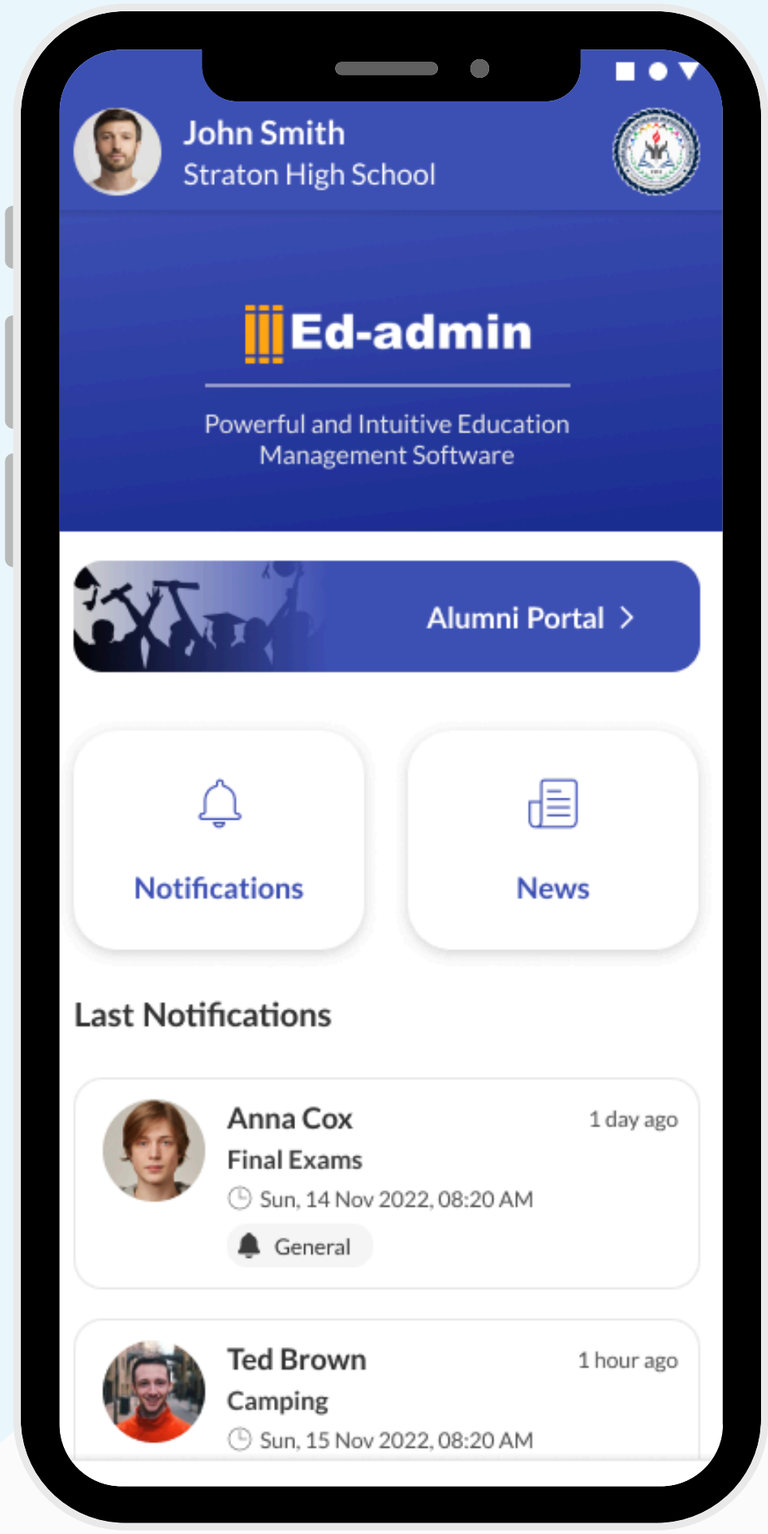

- View classes and track progress.
- Quickly submit assignments and access resources.
- Get event notifications and see activities.
- Chat with teachers and receive newsletters.
- View schedules, calendars, news, and documents.

Alumni Portal

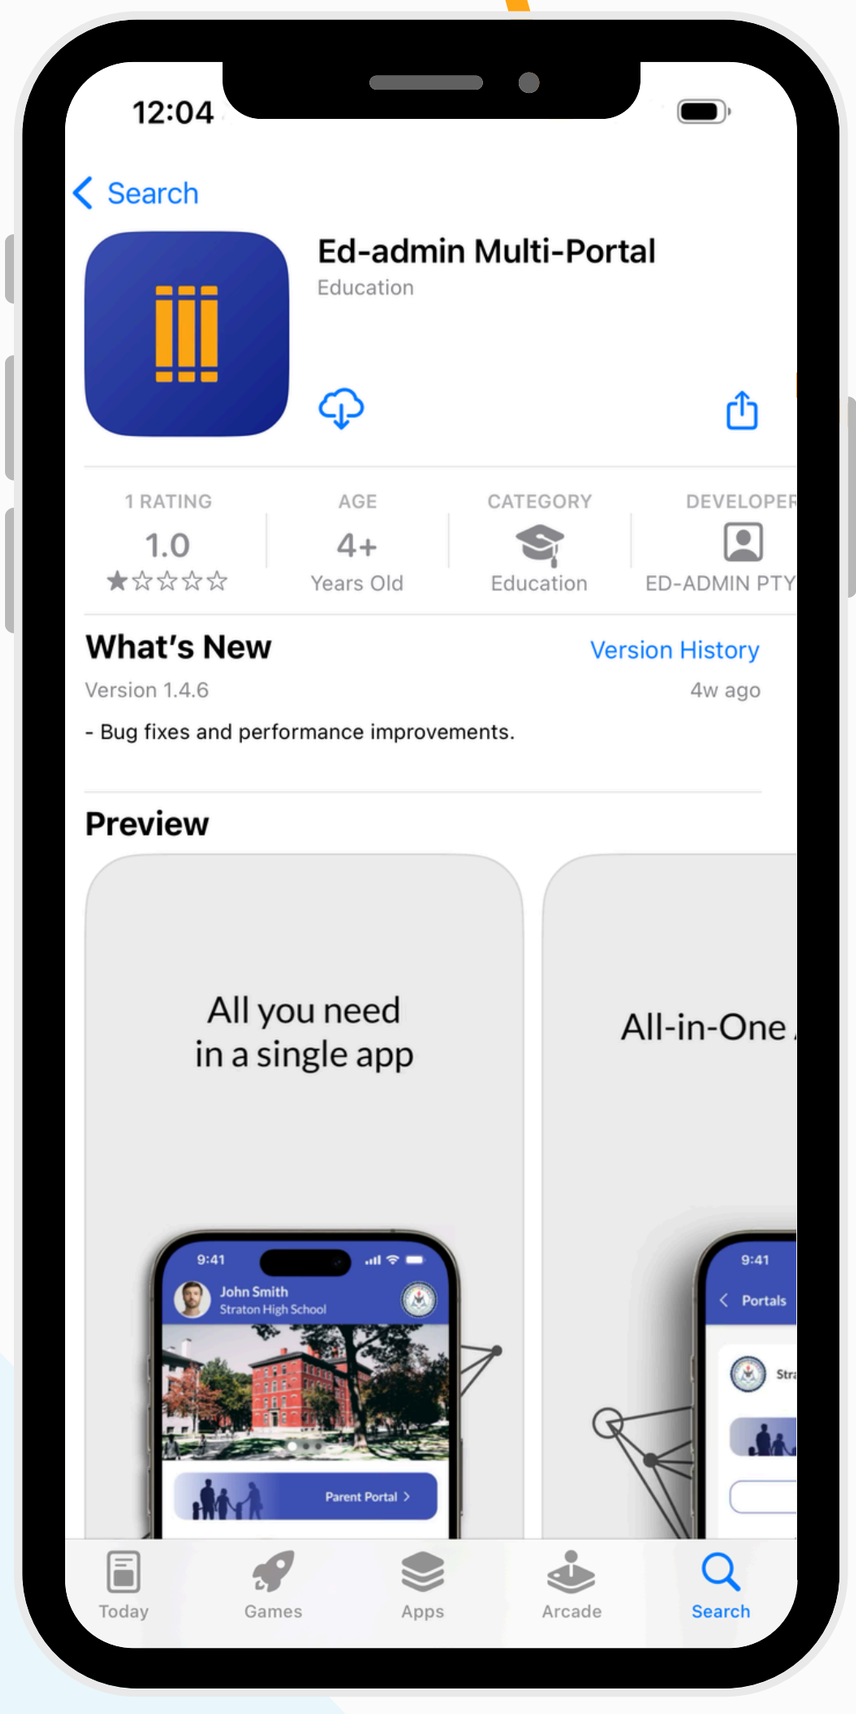

Reconnect, stay informed, contribute, and celebrate - stay deeply engaged with your alma mater.

- Receive news and updates about your alma mater.
- Update your info and engage with the community.
- Share memories and join celebrations of shared achievements.
